Miss Kathleen Parlow
Toronto Conservatory of Music

Dear Kathleen Parlow,

I am writing to ascertain what plans you have made following your visit to Calgary during the week of April 25th next. Our Time Table calls for the Violin Classes to take place on Monday, May 2nd, and we would like you to be here ready to start in the All Saints School Room on 103rd Street at 9 a.m. Our Violin entry is not very large and we have planned the time table to take the full day, morning, afternoon and evening.

If possible, we would like you to be here on Sunday evening in order that you may meet the Festival Committee and the other Adjudicators. We usually hold a reception at our house at nine o'clock on Sunday evening, - address-9824 - 106th Street, which is just two and a half blocks south of the Corona Hotel where accommodation has been arranged for you, and we will pick you up there.

I am presuming that you will take care of your own plane transportation, arranging that you can return to Toronto via Edmonton, after you have concluded your stint with us.

Mme. LeSaunier wishes to be remembered to you and is looking forward to meeting you here in Edmonton next month.

Will you let me know when you expect to arrive in Edmonton? It is not necessary for you to stay in Calgary till Sunday, if you feel like coming to Edmonton earlier. We will take care of your hotel expenses.

Yours very sincerely,

H. G. Turner.
